New Year Nerves

You might be feeling a little apprehensive. That's completely normal. Your friends might seem confident but many will be feeling just the same as you. Click on the questions:

**Will my friends be
my friends?**

**Will my teacher
like me?**

**Will I like
my teacher**

**Am I going to
get lost?**

If you are nervous, what could you do to help yourself?

A Positive Change

Change can make us nervous - but that's OK because everyone gets nervous sometimes!

A new start can mean we meet new people, make new friends and learn new skills.

**You have brains in your head. You
have feet in your shoes.
You can steer yourself any direction
you choose.
You're on your own. And you know
what you know.
And you are the one who'll decide
where to go.**

- Dr Seuss

**It's no use to
go back to
yesterday
because I was
a different
person then.**

-Lewis Carroll

One More Step along the World I Go!

One more step along the world I go,
One more step along the world I go;
From the old things to the new,
Keep me travelling along with you:

*And it's from the old I travel to the new;
Keep me travelling along with you.*

Round the corner of the world I turn,
More and more about the world I learn;
All the new things that I see,
You'll be looking at along with me:

Refrain

As I travel through the bad and good,
Keep me travelling the way I should;
Where I see no way to go,
You'll be telling me the way, I know:

Refrain

Give me courage when the world is rough,
Keep me loving though the world is tough;
Leap and sing in all I do,
Keep me travelling along with you:

Refrain

You are older than the world can be,
You are younger than the life in me;
Ever old and ever new,
Keep me travelling along with you:

Refrain
