

Spot the Link

What do all of these pictures have in common?

They are all activities people might do during the summer holidays.

How to Have a Safe Summer Holiday Assembly

What Are You Looking Forward To?

It will soon be the school summer holidays!

**What are you most looking forward to during the summer holidays?
Why? What would you like to do?**

But, Remember...

There are some **hazards** in the summertime. We can keep ourselves safe by staying aware of them and being careful.

What is a hazard?

A hazard is something that could be dangerous if you are not careful.

Can You Spot the Hazards?

Which of the activities below could be hazardous? Why?

wandering away from
your responsible adult

wearing a
sun hat

playing in the sun
without sun cream

eating an
ice cream

playing in the
sea on your own

using a zebra
crossing

Let's Learn Some Summer Safety Rules!

Staying Safe in the Sun

Staying Safe by or on the Road

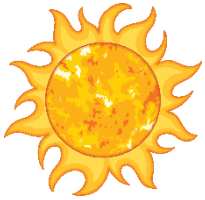

Staying Safe by the Water

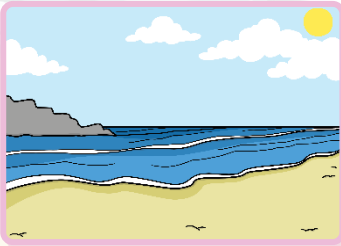

Staying Safe in New or Busy Places

Time to Think

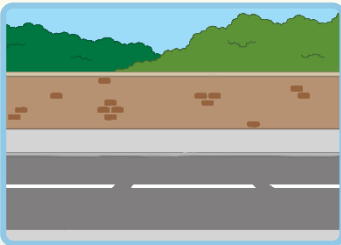

Choose a challenge from the options below:

Can you think of **one** way to stay safe in the sun?

Can you think of **two** potential hazards around water?

Can you think of **three** things you can do to stay safe by the road?
