

10 Ways to Be Polite at School

♥ Small actions make a big difference! ♥

1 Say please and thank you.

Use good manners when asking for something or receiving help.

2 Say good morning and hello.

Greet your teachers, friends and other adults with a smile.

3 Listen when others are speaking.

Wait for your turn and avoid interrupting.

4 Use kind words.

Speak politely and kindly to everyone, even when you disagree.

5 Hold doors open for others.

Be thoughtful and let others pass through first when appropriate.

6 Say "excuse me"

Use polite words when you need to get past someone or interrupt a conversation.

7 Take turns and share.

Be fair when playing games, using equipment or working together.

8 Offer to help others.

Help someone who is struggling, pick up something they have dropped or offer a helping hand.

9 Respect everyone.

Include others in games, celebrate differences and never laugh at someone for making a mistake.

10 Say sorry when you make a mistake.

Take responsibility for your actions and try to put things right.

Being polite doesn't cost anything,
but it can make someone's whole day better!
