

LIFE/work balance

#LIFEworkbalance

We have started a #LIFEworkbalance campaign and we need your help to complete our LIFE/work balance survey.

We hope to publish the results soon, so please give 15 minutes of your time to help us get a true picture of school life.

Want to be a part of this campaign? Take the [survey](#) on our website and share it with your colleagues!

Year 1 – Autumn Block 3 – Word Classes – Nouns

About This Resource:

This PowerPoint has been designed to support your teaching of this small step. It includes a starter activity and an example of each question from the Varied Fluency and Application and Reasoning resources also provided in this pack. You can choose to work through all examples provided or a selection of them depending on the needs of your class.

Teaching Note

We recommend teaching the terminology of *noun* in Year 1 so that children understand the difference between the word types and the jobs that they have within sentences. The resources for this step will include the terminology of *noun*.

Year 1 – Autumn Block 3 – Word Classes – Nouns

Notes and Guidance

- In this block, children will learn about two types of words. They should learn that when we speak or write, we use many different types of words and that each type has an important job to do.
- The first word type that children will learn is *noun*. In this step, children will learn about common nouns.
- Common nouns are the names of objects and types of animals, people or places. Common nouns include words such as: *table, chair, spoon, dog, cat, horse, sister, brother, baby, child, school, library, garden, house*. Common nouns can also be made up of two words such as *bus station* or *primary school*.
- In this step, children should learn a variety of common nouns and be able to give examples of nouns that they know.

Focused Questions

- Is *apple* a noun? How do you know?
- How many nouns can you see in the classroom? On the playground? At home?
