Tailored Boarding

The flexibility to choose your own way

Now enrolling for September 2024

Introducing

Tailored Boarding

The unique approach to joining the OSH community

Designed with busy families in mind, Tailored Boarding allows you the flexibility to fit school and your son or daughter's extra-curricular activities around your working patterns and family lifestyles, in a shared community where your child will grow in independence and confidence.

You and your child will have all the advantages of boarding at our outstanding school with the opportunity to choose when and how often you access our boarding facilities and co-curricular activities. You have the freedom to decide whether your child stays over, or comes and goes before and after the school day, to fit with their busy club and social schedules both in and out of school, integrated alongside your home life.

At OSH, your child will get the best of both worlds: an education and a home away from home with their friends, and time with family. Plus they will have a space to call their own in the boarding house, however frequently they use it.

Tailored Boarding is available now for September 2024

If you would like to talk about your son or daughter joining OSH as a Year 7 Tailored Boarder in September 2024, please get in touch for an informal chat. We would love to hear from you.

"Pupils learn
together, live
together and
thrive"

Join Us

At Old Swinford Hospital we pride ourselves on the breadth and depth of our education both within and beyond the classroom.

We aim to enable pupils to realise and exceed their potential. Our boarding teams provide a uniquely stimulating and supportive environment in which all can flourish, and grow in understanding, self-confidence and self-esteem.

Our Matrons are here to help support students in the boarding houses. They ensure the boys and girls in their care are looked after, safe, tidy, well-fed, and are often the first person they turn to with any problems. Matrons run the day-to-day of our boarding houses so that boarders feel at home away from home.

"A school that exudes clarity of purpose and value for money"

Good Schools Guide 2019

Our programme of co-curricular activities for Tailored Boarders is rich and far reaching:

• STEM Club • Music Ensembles • Hockey • Debating • Art Club • Chess Club • Dance Samba Band • Choir • Linguistics Club • Rugby • Netball • Chef's Club • Football • Pottery

...and there's so much more, including an exciting range of weekend activities.

So why not join us and give your child the opportunity to be part of the OSH community?
