

**E** endangered animals in their habitat,

**A** animals are children and adults like you,

**R** really, you love cats well leopards are too,

**T** to save them- don't be angry be calm all the while,

**H** however- don't forget they look up to roll models

**D** don't do any silly business help the little ones over puddles,

**A** animals are friends you can't live without them

**Y** You honestly will be like an angel!
