

ASTRONAUT WIZARD

- Describe the things you can see. Imagine the things you can't.
- What is happening?
- Is the astronaut a giant or is the Earth miniature?
- Why is the Earth glowing?
- If you could have a conversation with the astronaut, what would you say?
- Do you think he's alone?
- Is there a message behind this image?
- Why is the title of this work 'Astronaut Wizard'?
