

## Year 4 RE- Chinese New Year.

I want you to have some fun this week in RE!

Please find out a little about Chinese New Year.

In particular, look at the poster I have included to find out which New Year animal you and members of your family are!

Then- either print out one of the posters to decorate and label it with facts- or design your own, showing and detailing the animals for you and your family!

I have found out that I am the year of the dragon- I wonder, can anyone guess the year I was born?

I'd love to see your work, so send to me at
