## COOL KIDS SUMMER SCHEME

We are a charity called SENSORY PEOPLE who work with Occupational Therapists, Speech and Language Therapists and Sports Coaches and focuses on giving children and young people access to a specialist approach called Sensory Integration. We identify and treat the effects of poor sensory processing. Cool Kids is a Sensory Motor foundation programme which can help **children who display any or all of the following (or have other sensory/motor challenges):**

**Difficulty concentrating**

**Fussy about what clothes they wear**

**Difficulty listening, looking, and remembering**

**Often fall over or knock things over**

**Difficulty in controlling emotions**

**Chewing cuffs and collars**

**Become upset by loud noises**

**Messy or fussy eater**

**Problems communicating**

**Present with challenging behaviour**

To gain most from the scheme, parents will need to help their children with activities from the programme during the week. [SENSORY PEOPLE also provide (Ayres) Sensory Integration Therapy. If a child has complex challenges, we can put them on our waiting list for this treatment].

During the **summer holidays** we are running an introductory 3-week COOL KIDS programme near Stourbridge. Following this holiday programme, we will then offer 1:1 sessions for families that wish to continue their journey with us.

**The summer scheme will run between 9.30 am to 11.00 am on the following dates:**

**Week 1: Wednesday 16<sup>th</sup> and Thursday 17<sup>th</sup> August 2023**

**Week 2: Monday 21<sup>st</sup>, Wednesday 23<sup>rd</sup> and Thursday 24<sup>th</sup> August 2023**

**Week 3: Monday 28<sup>th</sup> Wednesday 30<sup>th</sup> and Thursday 31<sup>st</sup> August 2023**

The cost will be £140 for the seven sessions (an adult will need to stay and support in the sessions). Siblings are welcome to attend an activity group which will run alongside the scheme at a cost of £70.
