

DESIGN AND TECHNOLOGY

AT CRESTWOOD PARK

FIVE ASPECTS
OF D&T

Children participate in a STEM house challenge each term. This challenge encompasses

ELECTRICAL

SYSTEMS (KS2)

Year 3

Simple circuits & switches

Year 6

Monitoring & control

At Crestwood Park, we have a D&T week each term. We use the Design and Technology Association's 'Projects on a Page'. We follow their minimum requirements for D&T as much as possible

Year 1 Preparing fruit & veg Year 2 Preparing fruit & veg Year 3 Healthy & varied diet Year 4 Healthy & varied diet Year 5 Cultural Celebration

In EYFS we teach D&T through Expressive Art & Design. Children experiment with cookery, building, joining, shaping and planning their ideas.

Cultural Celebration
