

Half-term MMR vaccine clinics

**Measles is spreading fast.
Has your child had both
of their MMR vaccines?**

Free pop-up clinics to vaccinate against measles, mumps and rubella are taking place during half-term.

For children over one-year-old who are due or who have missed either dose. Adults up to the age of 25 are also invited.

Measles is highly infectious and can lead to serious health complications. The MMR is safe and effective.
