

Christmas Party

THURSDAY 18TH DECEMBER

Christmas parties are being held in classes on Thursday 18th December. Children should come to school on this day in their party clothes. They should also wear sensible outdoor footwear and bring a coat. On this day, children should bring a plate of party food into school with them. This should be on a disposable, named plate that is covered with foil or cling film. Children will still have lunch on this day, so this plate can just be a few snacks for them to eat at the party. The plate is not to share with others so should consist of a small variety of food just for your child. Drinks will be provided. Please do not include nuts or food that contains nuts due to allergies in school. Any questions, please ask.

Many thanks.
