Willie's bruises were like blue and purple clouds.

Metaphors!

and looked at the apple core grass.

Personification!

The gravestone stood
at Willie; making Willie
slowly uncomfortable. The
soft and ^{comfy} chair was
calling Willie's name.

Alliteration!

Willie a warm welcome,
well now happy home.

Pathetic Fallacy!

Willie looked out
the window after
playing with his
paints and saw
a vibrant rainbow.
