HOLIDAY ACTIVITIES

INTRODUCTION

Summer HAF activities are running between Saturday 20th July and Sunday 1st September. There's a huge range of fun activities on offer this summer. Take a look through this brochure to see what we have in store! Please also read below carefully for information on eligibility and the booking process.

What is HAF?

Dudley Holiday Activities is a government funded programme called the Holiday Activity and Food Programme that offers free activities during the school holidays for children aged 5 - 16 who receive free school meals.

The Booking Process

1. You must be registered on the Dudley HAF website to be able to book activities. If you haven't already registered, sign up at the [Dudley HAF Booking Service](#)
2. Once FSM status has been verified by Dudley Council, you will receive an email with login details and password for your account.
3. You can log in and book sessions for your children. For the summer holidays, each eligible child can book up to 16 free places.

Cancelling Bookings / No Shows

- If cancelling, this must be done at least 24 hours before activity. If sick on the day - please still notify provider as soon as possible. Other people miss out if you do not cancel with adequate warning or do not show without notifying.
- At summer, each child receives 16 credits to book sessions. If you change your mind you must cancel to free up the place before rebooking.
