

# Attendance Newsletter

## Attendance Letter

You should have all received a letter either via your child or through the post. These highlight where your child is with their attendance this academic year so far.

Whole school attendance is at an average of **95%** this is such fantastic news! We would like to thank all of you wonderful parents and our hard working children for making this possible.

## Celebrate

A massive well done to all of our children who have returned after the Christmas break. We are so proud of how well they have settled back into routines and shown such a positive attitude to learning. It has been wonderful to see their enthusiasm, smiles, and readiness to learn as we start the new term together.

We would like to kindly remind everyone of the importance of children arriving on time each day. Punctuality plays a key role in a child's learning experience, as arriving late can cause them to miss important instructions, disrupt classroom routines, and make it harder for them to settle into the day. Being on time also helps students develop responsibility, respect for others' time, and good habits that will benefit them throughout their academic journey and beyond.

We truly appreciate your support in ensuring that your child arrives at school on time and ready to learn. If you are experiencing any challenges that affect punctuality, please feel free to reach out so we can work together to support your child.

Thank you for your continued cooperation and partnership.

## REMINDER:

**We return break for half term on Thursday 12<sup>th</sup> February 2026**
