Poppyfields provides children aged 3 to 11 with the opportunity to enjoy a range of indoor and outdoor recreational activities while making new friends. There is also time for children to relax playing board games, DVD's, books and magazines.

Holidays are themed with children researching and developing knowledge and understanding in a fun filled environment.

Snacks provided include a healthy breakfast, fruit and a light tea with access to fresh drinking water. Children will need to bring a packed lunch with an ice pack included.

It is also important that children wear (bring along) suitable clothing and footwear, so they can participate in all our activities.
