Celebrate

A massive well done to all of our children who will receive their 100% certificate and prize on Thursday.

Keep up the hard work!

Whole school attendance is at an average of **95%** this is such fantastic news! We would like to thank all of you wonderful parents and our hard working children for making this possible.

Unacceptable reasons for not sending a child to school

It is not acceptable for a parent to assume a child can have days out of school for the following events;

- a child in the family is sick and parent cannot get other child/children to school
- a parent is on holiday and child is staying with a relative, relative cannot bring child to school – it is expected that other arrangements are made with family members/neighbours/friends to bring your child to school
- a parent sick on a long-term basis and cannot get child to school – it is expected that other arrangements are made with family members/neighbours/friends to bring your child to school
- Inclement weather i.e. snow – if families live within a 3-mile radius of the school, unless there is a babe in arms in the household, or they live in a remote setting, parents are expected to get their child to school. If school is open this will be recorded as an unauthorised absence.

REMINDER:

We return on Monday 5th January.
