worship?

Why are
places of
worship
important?

What

What places of

you visited?

Watch part of this video about different places of worship.
Start at 1:11 and watch until 3:08

Go back to your answers to the 5 questions.

Add anything more that you learned about places of worship from watching the video.

Look the photos of the buildings on the following pages.

They are all places of worship.

Each one shows a place of worship for one of the six main world religions.

Have a *think* about what the six religions are.

What place of worship do you *think* matches these religions?

This will help you ready for next week's lesson
