

Attendance Newsletter

Attendance Letter

You will receive your letter this week either via your child or through the post. These will highlight where your child is with their attendance this academic year so far.

Whole school attendance is currently at **95%**, however, it has been gradually decreasing each day. Hopefully, with the change in weather, those seasonal bugs will start to ease and we'll see attendance improve again.

DON'T FORGET...

You should have seen our Easter attendance challenge on the whole school newsletter. To get a prize, your child must be in everyday and ON TIME. Good Luck!

Celebrate

Well done to all of our children who have returned after the half term break ready to learn. We can't wait to see what you can achieve!
