

# Op Art Collaborative Love Heart

With a partner, use these instructions to create an Op Art love heart.

## You will need:

- an Op Art love heart template;
- a ruler;
- a coloured pen or pencil.

## Instructions

1. First, using the heart template, draw six lines going from one edge of the sheet to the other. The lines must go through the heart.
2. Next, add colour to one of the shapes created by the intersecting lines. Handy hint: start at the top left-hand corner and work across and down.
3. Continue to add colour to the shapes. Remember to only add colour to the shapes with touching corners, not sides.
4. Next, swap sheets with your partner.
5. Add your own colours to the blank shapes.
